

SCI-TECH TIMES

INFORMING THE TECHIES AT SCI-TECH

WEDNESDAY, JULY 18, 2018 | ISSUE 5 | VOL 5 BY: GIL, CHARLIE, & MALACHI

It's
Trip
Day!!!

PUN CORNER

Cat puns freak meowt!!

If you read enough puns, you will be punstoppable!!

Every pun has 2 parts, a setup and a PUNch line!

I am a big fan of whiteboards. I find them re-markable.

I didn't actually practise before flying a plane for the first time. Thought I'd just wing it.

I'm not sure where to find snow in America. Alaska local.

I See You, Sci-Tech

- @Greg, for working so hard for us this session.
- @ Ramon 2, for having a funeral for ET yesterday at sababa.
- @Sagan 1, for making a robot named Jamie.
- @Rosie 1 for showing Kavod while helping carry laundry.
- @May 1 for getting 24 every single day!!
