## Missing Fruit-Loops Found

A Satire News Story By Isabel

This just in, it was just heard that the Fruit Loops that have been missing for some time had been found in the hands of all the other Sci-Tech camps! “They have been using the Fruit Loops for their sacrificial purposes,” said one bystander, “they call their group ‘the Loopers’.” A letter has been received from Jaynor the Conqueror, saying she has found a secret stash of Fruit-Loops in the heart of Africa (where the other Sci-Tech camps have been hiding them). However, she didn’t succeed in the quest, for she couldn’t defeat “the rains down in Africa.” She will have to wait to return to this quest, but she swears that she will one day get the Fruit-Loops back, but that is a quest for another time. For now, she must return to her original quest and obtain the Sci-Tech air conditioners.
