Today's Story

History of Gov's Part 1

A Satire News Story By Aviva

It was the year 1750, and Governor Dummer decided to make a BBQ Shabbat lunch, He decided he wanted bean, so he made himself some. Around thirty minutes later he was finishing the beans and was getting a bowl. “Well, hello, my little Dumm-pling!” His Gram-gram, Leah, came in. “Hey Gram-gram, would you like some beans?” She replied, “I would love some beans.” So he got out another bowl for her. “Oy gavult! These beans are a catastrophe!” She exclaimed to Dummer. “Gram-gra” his words came to as top as he saw his Gram-gram fall over and collapse. He got down on his knees to check if she was breathing, SHE WAS NOT! The next morning he woke up and got an idea, but before anything, he got his gefilte fish. After, he went to his barn and rode his horse to Newburyport. He got on a boat that went to India, Antarctica, and Florida. He met with the best chefs and old grandmas. He went to South Africa and the south pole next; meeting with Elves and the Hanukkah Fairy. He went to multiple more places which took years.
