Riddle Of The Day

White we are, strong we are; but
can be easily shaken and
weakened, easily stained and
dirtied; None was found at first,
then one appeared; afterwards,
more are seen and thirty two
appear at last, we all stand
waiting for our prey. The food you
eat is our prey and we all are in
you. What are we?

Update On The Lamothe Campaign A Satire News Story By Anonymous

News of a new candidate entering the 2020 presidential race has sent waves through the Lamothe campaign. What the Lamothe campaign originally saw as an easy win quickly is quickly turning into one rough battle for the presidency. It was reported that when he first heard of Peprak's campaign launch, the originally unopposed candidate went into a fit of rage. He has been reported saying: "Follow your gut! No don't follow your gut, follow this gut!" It was also reported that while saying this Lamothe was pointing at his own gut. Lamothe's campaign manager, Seth Cohen, assures Lamothe's supporters that there is nothing to worry about, and that he is sure that Lamothe will secure the presidency. Though they will be revising the YEAT plan and adding a healthcare initiative, but a healthcare initiative that will be a million times better than the Peprak campaign. One thing is for sure, this is going to be a long road to the White House.
