

Supplies

Instructions:

- 1) Cut out Menorah, and decorate the front (the back will be covered by the electronics)
On the Back...
- 2) Lay out the Negative leads using the conductive tape
- 3) Place Masking tape over the negative leads where the positive leads will intersect
- 4) Lay out the Positive leads
- 5) Put the LED's in place using conductive tape:
Connect the long leg of the LED to the Positive lead, and the short leg to the Negative
- 6) Attach battery pack to leads using conductive tape:
Red wire goes to Positive, Black wire goes to Negative.

Menorah Template

Blank template for drawing the left side of a menorah, consisting of a vertical stem with nine horizontal branches of varying lengths extending to the right.
