

Dear Sci-Tech West Family,

Thank you for your interest in the URJ 6 Points Sci-Tech West Financial Aid Program. We believe that financials should not stand in the way of any child having a Jewish camp experience. All of our Financial Aid awards are based on financial need. The goal of this program is to financially assist any child, to the extent possible, to attend camp for a session.

Our goal at URJ 6 Points Sci-Tech West is to help all families in need and we receive many requests for financial aid. As a new summer camp, our funds available for financial aid are limited. The amount of aid awarded to each eligible camper will be based on the number of applicants, level of need and, of course, overall funds available. We view your synagogue as an important part of the paying-for-camp process and view them as partners in providing the summer camp experience. For those applicants whom are not members of synagogues, we ask that you research other Jewish organizations and STEM scholarships as part of the application process.

Please note the following:

1. We only review and process complete financial aid applications for campers who are currently enrolled to attend camp. Your child must be registered for us to review and process your financial aid application.
2. Many synagogues provide funds for camp attendance. We look to create a partnership between the family, the congregation and the camp. Please meet with a representative from your congregation (clergy, educator, or administrator) and have them complete the Temple/Community Contribution Form found through your CampInTouch account. No Temple Scholarship funds will be applied to your account without the Temple Form signed by the rabbi or temple administrator. Some community groups or STEM organizations also provide support (UJA-Federations, etc.). This form can also be used for these groups as well.
3. Financial assistance is provided as a credit on camp fees.
4. You should complete these forms with as much detail as possible. If you do not receive the scholarship and financial aid you are applying for, there is a supplementary financial aid application that you can complete to apply for additional aid once you've heard back from all funding sources. You can reach out to Aimee at [asesar@urj.org](mailto:asesar@urj.org) for the link to this supplemental application if necessary.
5. **Our financial aid committee will review applications in three rounds. After the final round, applications will be reviewed on a rolling basis. We recommend submitting all forms for the earliest deadline possible.**

	Application Due Date	Aid Notification Date
Round 1	January 21	January 28
Round 2	March 11	March 18
Round 3	April 22	April 29
Post Round 3	Rolling	As Needed

The application is available online through your CampInTouch account and is visible to you once you are registered for camp. This form link is now live on your account and, in order for your application **to be considered complete, we must receive the following 3 forms**, which you can submit and upload all on your account:

1. The scholarship application, an online form available within the Forms sections your CampInTouch account.
2. The first two pages of your 2018 or 2019 Federal Income Tax Return. If you do not have the 2019 Tax Return, please provide the most recent Federal Return (schedules not necessary). Please also provide a copy of your 2018 Form W-2 from each employer.
3. Your complete Temple/Community Contribution Form. You can download this form from your account and should the complete version there as well.

If you have any questions regarding our scholarship process or are having trouble uploading these documents, please contact our office at 424.387.3544.

Sincerely Yours,

Jordanna Flores

Dear Friend,

The above family has requested financial support for their child(ren) to attend URJ 6 Points Sci-Tech Academy-West this summer.

We are committed to ensuring that camp is financially accessible for any camper who wants to attend. Unfortunately, we have limited funds so our partners in providing camperships are vital. Sci-Tech West works to match funds up to \$250 through our partner organization fund matching program. In order for us to spread funding as widely as possible, it is helpful for us to know the level of assistance you intend to provide. We recommend that funds designated for a given camper be mailed directly to camp at our winter office address below:
